

Student Application Form for WIWC 2025/26 (Wonder of Imagination Writing Club)

The Writing Club is an activity for students at NGMS to advance their skills in the field of writing. While learning, we are giving students an opportunity to make friends throughout other grades along with having fun after a long day of school. We are here to celebrate our students' writing achievements and to affirm their abilities while encouraging them to continue growing and improving their skills

We will have a specific prompt each month for students to write about. They will work on their essay over the 2 weeks, and at the end of the month, we will be evaluating the submissions and providing students with feedback on their performance, including specific suggestions for improvement.

Club Information

The club will be held from 4:30-5:45 after school every other Tuesday. Students will be meeting in Mrs. Edge's room 1,428 on the 7th grade floor. As decided by the club committee, the fee for the club will be \$25. This fee will include t-shirts, supplies, and rewards for the students.

**Please provide this page only and retain the information page for your records.
This form must be submitted to Mrs. Edge room 1.428 on the 7th-grade floor.**
