Hypothesis-

Density of Water Lab	Mass of Graduated Cylinder and liquid	Mass of empty Graduated cylinder	Mass of liquid	Volume of liquid	Density of liquid
Water at 2ml				2ml	
Water at 4ml				4ml	
Water at 6ml				6ml	
Water at 8ml				8ml	
Water at 10ml				10ml	
Water at 20ml				20ml	
Water at 30ml				30ml	
Water at 40ml				40ml	
Water at 50ml				50ml	
Water at 60ml				60ml	
Water at 80ml				80ml	
Water at 100ml				100ml	

Graph the Density of water (y-axis) vs. the volume of water used (0-100 on the x-axis). Make a scatter plot graph
