

**Departments Eligible to Submit a Research Abstract to the 2025-2026
CAHSI-Google Institutional Research Program (IRP)**

Only the departments listed are eligible to submit an abstract for the 2025-2026 IRP. For inquiries about eligibility of departments not listed here, please email efhall@utep.edu

Institution Name	Department	Computing Doctoral Degree?
California State Polytechnic University, Pomona	Computer Science	No
California State Polytechnic University, San Luis Obispo	Computer Science	No
California State University, Dominguez Hills	Computer Science	No
California State University, East Bay	Computer Science	No
California State University, Fresno	Computer Science	No
California State University, Fullerton	Computer Science	No
California State University, Los Angeles	Computer Science	No
California State University, Monterey Bay	School of Computing and Design	No
California State University, San Bernardino	School of Computer Science and Engineering	No
California State University, San Marcos	Computer Science	No
California State University, Stanislaus	Computer Science	No
Doña Ana Community College	Computer Science	No
El Camino Community College	Computer Science	No
El Paso Community College	Computer Science	No
Fairleigh Dickinson University, Florham & Metropolitan Campus	Mathematics and Computer Science	No
Florida International University	Computer Science	Yes
Inter American University of Puerto Rico, Bayamon	Computer Engineering	No
John Jay College of Criminal Justice	Mathematics and Computer Science	Yes
Kean University	Computer Science & Technology	No
Maricopa Community College District	Computer Science/ICT	No
Marymount University	School of Technology and Innovation	Yes
Merced College	Computer Science	No
Montclair State University	School of Computing	No
New Jersey Institute of Technology	Department of Computer Science	Yes
New Jersey Institute of Technology	Department of Data Science	Yes
New Mexico Institute of Mining and Technology	Computer Science & Engineering	Yes
New Mexico State University, Alamogordo	Computer Science	No
New Mexico State University, Main Campus	Computer Science	Yes

Northeastern Illinois University	Computer Science	No
Reedley College	Computer Science	No
Saint Peter's University	Computer and Information Sciences	No
San Diego State University	Computer Science	No
San Francisco State University	Computer Science	No
San Jose State University	Computer Engineering	No
Sonoma State University	Computer Science	No
Texas A&M University, Corpus Christi	Computer Science	Yes
Texas A&M University, Kingsville	Electrical Engineering and Computer Science	No
Texas A&M University, San Antonio	Computational, Engineering, and Mathematical Sciences	No
Texas State University	Computer Science	Yes
University of California, Merced	Computer Science & Engineering	Yes
University of California, Riverside	Computer Science & Engineering	Yes
University of California, Santa Barbara	Computer Science	Yes
University of California, Santa Cruz	Computer Science & Engineering Technology	Yes
University of Central Florida	Computer Science	Yes
University of Houston	Computer Science	Yes
University of Houston, Downtown	Computer Science & Engineering Technology	No
University of Houston, Victoria	Computer and Information Sciences	No
University of Illinois at Chicago	Computer Science	Yes
University of New Mexico	Computer Science	Yes
University of North Texas	Computer Science and Engineering	Yes
University of Puerto Rico, Arecibo	Computer Science	No
University of Puerto Rico, Mayagüez	Computer Science & Engineering	Yes
University of Puerto Rico, Mayagüez	Electrical and Computer Engineering	Yes
University of Puerto Rico, Mayagüez	Mathematics	Yes
University of Puerto Rico, Rio Piedras	Computer Science	Yes
University of Texas at Arlington	Computer Science and Engineering	Yes
University of Texas at El Paso	Computer Science	Yes
University of Texas at Rio Grande Valley	Computer Science	Yes
