Class is Not Showing Up for Teacher in Edmentum

If a teacher cannot see their class roster in Exact Path, this is usually due to the fact that it is a newly created class for that academic year and it needs to be mapped in Edmentum

1. Log Into **Exact Path**

2. Click on the **Integration Tab** at the top

3. Click on **Courses Not Mapped**

4. Put a **Check** next to the course that is not displaying for the teacher

5. Click on **Map to Edmentum**

6. On the next window click on **Exact Path**

7. Check off **Exact Path**

8. Click on **Create Mapping**

9. Click on **Done**

10. At the bottom click on **Apply Pending Items**
