

My Eternal Plaything (Morrigan Aensland)

Cuts to her opponent's POV as Morrigan ominously looms over them, eyes glowing as darkness falls over her face, as she says "*Look into my eyes. You're mine to toy with now.*" She then stands aside to reveal an arcade machine for two people (Of *Darkstalkers* no less) and cheerfully says "*Come on, it's rude to keep a lady waitin'!*"

Oh Darling! (Lum Invader)

Lum prepares to electrocute her opponent, surging with lightning, but she finds that she already expended her power and falls to the ground in exhaustion. Ataru, who ran away from her earlier in the fight, runs back to see if she's alright, picking her up and carrying her off, awkwardly looking away as a tired Lum puts her hand to his face and smiles, muttering "*Darling...*"

Dinner With Demons (Ashley)

Red turns into Ashley's wand, which she raises as a portal opens in front of her on the ground, red eyes piercing through the darkness as clawed hands rise out. Shadowy monstrosities emerge, cackling and roaring as they all sit down at a table with Ashley and Red, one even pouring tea for her as she smiles.

Love Bug (Sig)

Darkness covers Sig from head-to-toe as his eyes glow red. He staggers a bit, clearly struggling with himself, raising a clawed hand towards his opponent, only to be stopped as someone jumps onto him. It's Amitie, throwing her arms around him and hugging him tightly. The darkness subsides from Sig as he pauses, then hugs Amitie back, as ladybugs and butterflies soar around them.

The Happiest Ending On Earth (Mickey Mouse)

Mickey takes out his paintbrush, glaring intently as he swings it around, paint splashing all over, covering the opponent's POV, until the paint finally washes away to reveal a park with a castle in the distance, Mickey now in a tuxedo as he gives a wave, saying "*C'mon, Pal, the parks are waitin'! All that fightin's not good for ya anyway!*" He then tosses something to the screen, an all-day pass.

Merry Magic Melody (Bugs Bunny)

Bugs pulls a curtain closed and reopens it to reveal himself in a magician's get-up on a stage, a crowd applauding as Bugs gives a bow and removes his hat, reaching into it while slyly saying "*For my first trick, watch me pull a human outta this thing!*" Feeling something inside the hat, he pulls it out to reveal, to his surprise, Buster Bunny, who greets his mentor with "*What's up, Doc?*" as Bugs just gives him a look that says "*Oh you.*" as the crowd watching laughs.

The Go(o)d Ending (Hatsune Miku)

Miku begins vocalizing as she places her hands over her heart, growing in size as she begins towering above the clouds, and then the stars, and then the whole Earth, life and greenery covering the planet as she holds it lovingly in her hands, smiling down at her opponent, and by extension, the rest of the world, as she continues singing softly to them all.

Knife Dancer (Doll)

Doll pulls out a pair of knives, grinning menacingly as a red spotlight shines down on her. "*Knife Dance*" starts playing as she begins swaying her hips, moving her arms and blades around with an eerie grace as she starts dancing to the rhythm, even using her powers to replicate the knives and make them float around her, ending her performance by tossing them at the ground and taking a bow to a cheering crowd.

Surprise Party (The Marionette)

The novel version of Charlie notices the downed opponent and kneels down to check on them in concern, unaware of the Marionette looming behind her, reaching for her as the opponent's vision goes black from passing out. They then open their eyes to find themselves and Novel!Charlie at a table, and she's visibly confused as the Marionette places a big cake on the table, confetti raining down as Charlie's friends sit down with her to celebrate her birthday, the Marionette even placing a party hat on her counterpart's head, the older Charlie just sighing in relief.

Ultimate Party (Junko Enoshima)

Junko shrugs and says "*Screw that, it's punishment time!*" as the lights go out. When they turn back on however, she finds herself on the couch at a house party, with multiple characters from *Danganronpa*, even ones that are supposed to be dead, all shown in a panning shot, talking, dancing, playing games, drinking, and by the time it pans back to Junko, she's screaming in aggravation.

Party Animal (Springtrap)

Springtrap draws his pizza knife, cruelly chuckling "*No, I don't think we'll be having any of that.*" lumbering towards his would-be prey, failing to notice the rope-trap he then steps on, which snags him, binds his limbs, and dangles him in the air. To his horror, living versions of Charlie, Gabriel, Jeremy, Susie, Fritz, Cassidy, and Elizabeth all run in, cheering innocently as they proceed to beat him senseless with bats like a piniata, all while Afton is screaming in pain as candy actually falls out of him and he yells "*HOW IS THAT EVEN POSSIBLE!?*"

I Screwed Up LMAO (Cyn)

Cyn hangs her head onstage in front of a crowd of Worker Drones, holding a piece of paper as she awkwardly reads off it "*I am very, very sorry for ending humanity, and then trying to end your*

world. I am sorry for every one of you my puppets killed, and every one of you I ate personally." She then glances off to the side to see Tessa tapping her foot angrily, and then adds *"And I am sorry for skinning the girl who took me in."* She then looks at the unimpressed crowd, asking *"So... Are we good now?"*

Disney Princess Fantasy (Aqua)

Aqua dons a beautiful dress and clears her throat, singing a rendition of *"A Dream Is a Wish Your Heart Makes"* as multiple animals gather around her, including Jaq, Gus, Bambi, Arthur's bird form, Bianca, and Bertram, among others, ending with her kneeling in a patch of flowers and smiling gracefully, before breaking character and laughing as Bambi affectionately licks her face.

Comet Orchestra (Rosalina)

Rosalina hovers over to a stand with a music sheet held up, tapping her wand on it before waving it like a baton. Lights shine down to reveal a whole orchestra of Luma's with instruments, playing the Comet Observatory's theme, ending with Rosalina turning to a cheering crowd and bowing, and chuckling as a Luma floats up and ends the song with a *"Ping"* on the triangle, before looking up at her as if to say *"Did I do good?"*

B-Sharps Reunion (Homer Simpson)

Homer smirks as he takes something out, a vaudeville hat, and as he places it on, it transitions to Homer standing Moe's Tavern with Skinner, Barney, and Apu, singing barbershop quartet with them, as Marge, the kids, and many other Springfielders watch in amazement. Chief Wiggum smiles as he listens, before telling Lou *"Get the tear gas."*

Don't Shut Up, Meg (Peter Griffin)

Peter smugly walks over to Meg, who glares at him, clearly expecting the worst as she folds her arms, only for Peter to just smile at her and say *"Meg... You're awesome and I'm proud of you."* Meg is stunned and says *"Oh, wow, uh, thanks, Dad!"* Peter smiles at the camera with his hands on his hips as Meg awkwardly looks around, expecting some kind of punchline, but nothing comes, just awkward silence, as she just shrugs at the player.

Score 99-0 (Psychic Foe Fredbear)

Fredbear recedes into the darkness as Cassidy steps forward, glaring intently before stepping up to a Fruit Maze arcade game, cheerfully playing against Susie as Gabriel, Jeremy, Fritz, and Michael's Brother all watch and cheer them on, Charlie off to the side smiling with a slice of pizza on a pile of tickets that has been pouring out of Susie's end of the machine since they started this little rivalry.

A Real Cowboy (Clover)

The scene cuts to Clover as a grown cowboy, riding a horse valiantly through the desert at night, making a huge leap over a cliff and even outrunning a train next to them. The horse neighs triumphantly, only for the scene to cut to a very tired Ceroba in a nightgown turning on a lightswitch to see a still-young Clover riding on Martlet's back, the latter clumsily running around the living room in a horse costume. Ceroba simply blinks before going back to bed, leaving the two to it.

Art Imitates Art (The Shadow Blot)

The Shadow Blot menacingly reaches its claw downward, conjuring a mound of inky sludge, before shaping it into a crude, blobbish sculpture, before dotting Mickey Mouse ears on it. The Blot then gestures to the sculpture while smiling at its opponent, letting out a guttural *"Ta-daaaaa!"*

Your Better Half (The Ink Demon)

The Ink Demon roars and clutches its head, horrifically convulsing and shrinking down as the lights around it flickers into darkness. Then a spotlight shines down to reveal Toon Bendy with his back to the camera, before turning around and tap-dancing for his opponent, using a ripped off pipe as a cane.

The Beauty of Light (Penny Polendina)

Penny looks over her downed opponent, before taking them by the hand and pulling them away to a grassy meadow in the middle of the night, before pointing at moving, flickering lights, which turn out to be fireflies. The opponent's POV follows Penny as she chases the fireflies around, rolls around in the grass, and falls on her back, smiling up at the fireflies and stars in the sky, giggling.

Alternate N-ding (Serial Designation N)

N turns to see something that shakes him to his core, *"Tessa"* in her spacesuit approaching him. Going on the defensive, he tackles her and rips her helmet off, but his glare turns to a look of awkward shock as he indeed sees a living, bright-eyed Tessa, and relents on her. Tessa then giggles and lifts him up by his face, jumping around with N excitedly as he just kind of lets it happen in sheer confusion.

Good Boy (MAWS Supergirl)

Kara reaches her arms out, beckoning for something, and that something is Krypto, who jumps on her and licks her affectionately as she giggles. Her giggling doesn't stop as Krypto's tackling knocks her over and then he proceeds to repeatedly slam her on the ground with enough force to crack the floor beneath her, Kara just rolling with it like it's normal, clearly having just as much fun as he is.

Toys To Lies (Kaos)

Kaos cackles evilly as he looms over a table, holding figures of Spyro and himself as figures of Stealth Elf, Pop Fizz, Eruptor, Terrafin, Cynder, Gill Grunt, Jet Vac, and Chop Chop are all tipped over on the table. Kaos puppeteers the two figures in his hands in a mock fight that ends with Spyro falling over and saying “AAAAAH, NOOO! I STOOD NO CHANCE AGAINST YOUR AWESOME EVILNESS, LORD KAOS!” before Kaos screams as the lights to the room turn on, Glumshanks walking in and seeing this, Kaos hastily trying to hide his toys as Glumshanks raises his eyebrow.

Plastic Perfection (Lord Vortech)

Lord Vortech opens a portal and cackles as something falls out of it, a bin full of Legos. As Vortech raises his staff, bricks of all colors float out of the bin as he telekinetically constructs a statue of himself from the bricks, admiring its craft. He then pauses and admits “*Coloring is off... Eh, I can live with that. My therapist will certainly be proud to hear about this.*”

We’re Running The Show (Caine)

A spotlight shines down as Caine grins at his opponent and says “*Ready to see the **real** stars of this show? No? Great, here they are!*” and pulls back a curtain to reveal Pomni on a keyboard, Ragatha on a guitar, Zooble on drums, and Gangle singing on mic as they play a rock rendition of the Digital Circus’ theme song, Caine watching in an audience of mannequins (and both Jax and Kinger) crying with pride.

Special Guest Star (Mr. Ant Tenna)

Tenna shifts the scene to a talkshow stage, where he smiles at the viewer and says “*Hope you enjoyed the show, but we got one more guest star for the night, folks! Whoever could they be?*” Tenna then looks to a rising curtain on the side, expressing visible (and comically exaggerated surprise) as it rises to reveal Spamton, who says “[*Trash Heap*] I’M HOME!” The audience roars as Tenna keeps pointing to a waving Spamton while making faces that just say “OH MY GOSH, IT’S HIM, FOLKS!”

You Came Back (Scrap Baby)

Scrap Baby sees a birthday cake on the floor and sits with it, looking up at a banner that says “*Happy Birthday, Elizabeth!*”, then looking around to realize nobody showed up. Hanging her head solemnly, she notices a purple hand reaching towards the cake, lighting its candles with a lighter. She looks up to see her brother, Michael, smiling earnestly at her and perks up.

Unprofessional Behaviour (Serial Designation J)

J takes out a battery and slices it open, downing the battery acid as she begins getting tipsy, letting out a “Woo-hoo” as she begins partying with a bunch of skeletons, dancing on a table, calling Cyn on a phone and saying “HEY, BOSS! [BEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEP]”

YOU!” to which Cyn responds “*Well, that wasn’t very nice.*” J ends her little montage drunkenly singing “*Bite Me*” before passing out, falling faceflat on the floor.

The Destiny of Evil’s Master (Skeletor)

Skeletor laughs evilly as he sits upon his throne, summoning a desk with a PC on it, placing on headphones, all the while cackling and turning the computer on, grabbing a computer and playing *Destiny*, ... before raging at his team, singling out Beastman for taking his Resonance, ranting “*IT’S NOT PROPER RAID ETIQUITE!*”

Heartless Lover (Lord Zedd)

Lord Zedd charges up his Z-Staff, pointing it at his opponent while cackling, before saying “*Psych!*” and aiming the staff instead at the moon, laser-carving a giant heart with a crude drawing of Rita Repulsa’s face on it, laughing triumphantly as he admires his handiwork, Rita next to him as the two have their arms around each other.

Go Fetch (Serial Designation V)

V smiles as Sparky runs over to her. She pets the Sentinel affectionately before holding up a torn-off Worker Drone arm, tossing it for him to fetch. He runs after it and returns it, and she tosses it again, but as he runs offscreen, her eyes widen in shock, as Sparky returns onscreen with Lizzy in his mouth. The Worker Drone shoots one hell of a glare at V, who awkwardly scratches her head and looks away.

Date Night (Kirie Bonin)

Kirie leers menacingly at her opponent, before getting a call on her phone and answering it, saying “*What? Wait, really? I mean, of course I would.*” It cuts to her sitting in a restaurant with Max, both staring awkwardly at each other and blushing, Kirie forcing a very awkward smile, before Max starts laughing a bit, causing her to laugh as well, genuinely happy for once.

Cordie’s Cradle (Cordie)

Cordie laughs as she begins spinning webs between her claws, playing cat’s cradle with her own webbing, forming all sorts of shapes with it, before forming a visage of Waylon’s face, before blushing and trying to get rid of it, getting herself webbed up in the process as she giggles awkwardly and falls over.

Eating Healthy (Bluto)

Bluto pulls out a can of spinach, smirking and saying “*Didn’t even need the darned stuff!*” before eyeing the can curiously and thinking out-loud “*Though I gotta wonder how this tastes...*” He gives in to his pondering and eats the spinach, lighting up at the taste and slapping his head, “*Say, this stuff tastes great!*” before grinning at his downed opponent and holding the can out to them, chiming “*Ya gotta try this stuff!*”

A Moment of Self-Reflection (Pete)

Pete prepares to clobber his opponent further, before pausing and looking at his clenched fist, and he starts venting to his opponent, *"Wait, what am I doin' with my darn life? My wife left me and took the kids, I've been booted from my own home for attemptin' treason, my old cabin boy beats the stuffin' outta me daily! And I gotta wonder... Ya think some of it is MY fault?"* He slaps his head and continues *"No, I can't let this keep goin'! Time for a new me! Time for the world to look up to me, not with quakin' boots, but with hearts full o' hope! Hope for justice!"* He then dons a costume and stands atop a building as Captain Justice.

Solvernia Spin (Nia Teppelin)

Nia points upward with a determined smile, as Tengen Toppa Solvernia forms in space, towering over planets and suns, entire galaxies even. It then sticks its staff into a black hole and begins circling around it, before wrapping its leg around and full-on pole-dancing, as planets swirl around it. It then cuts to the people of Earth looking up at the display above them with reactions that range from confusion to enjoyment, special focus going to a wide-eyed Simon, before cutting back to Solvernia, then zooming inside to show Nia *also* poledancing inside it, ending her performance with a wink at the screen.

Friend From the Future (Sailor Saturn)

Sailor Saturn looks down ominously, her face half-shadowed as she raises her hand, before lowering it and... placing a piece on a boardgame as she moves a few spaces, as the camera cuts to reveal she's playing with Chibi-Usa. She reaches the end of the board and giggles *"I win!"* as Chibi-Usa groans in defeat and says *"Best seven-out-of-eight?"*, to which Hotaru responds with a cheerful *"If you insist."*

Peer Pressure (Uzi Doorman)

Uzi rolls her eyes and folds her arms, saying to her opponent *"Alright, fine, just as long as I don't have to do anything stupid."* It then cuts to Uzi in a gym, dressed in a cheerleader costume identical to Lizzy or Doll's, with a look on her face that's practically screaming *"Shoot me"*. She then joins Lizzy, Doll, Rebecca, and other cheerleaders in a performance, ending in Uzi topping a human (or robot) pyramid, blushing a bit and looking away as N cheers from the bleachers *"Whooo, that's my girlfriend!"* next to a clapping Thad.

Prom Queen's Coronation (Carrie White)

Carrie menacingly approaches her downed opponent, intent on killing them, before looking up to notice something, a bucket hanging from the rafters, causing her eyes to widen with dread, but as it lowers, it pours water on her instead, washing all the blood off her. Carrie stands there in confusion before a crowd of cheering students surround her, Sue Snell even handing her flowers as she smiles and tears up.

Sisterly Bonding (Jenny Wakeman)

The camera zooms in on Jenny's eyes narrow as she prepares herself for the fight of her life, before panning out to reveal she's in a big pillow fight with the other XJ's, giggling non-stop as she and her sisters all hit each other with cushions, feathers flying all over the place.

Fun With Uncle Nightmarionne (Nightmarionne)

Nightmarionne tilts his head and leaves his downed opponent behind, the camera cutting to a child's bedroom as Nightmarionne lurks out of their closet, grinning evilly as the child turns to see a Freddle by their bedside... with a boombox, which they urge the kid to turn on. The kid obliges as they turn back to see Nightmarionne bust a move as rave music plays and party lights illuminate the room.

Elevator Prank (Folly)

Folly shushes her opponent as they lose consciousness, before they wake up in the elevator from her game of origin, multiple other characters there like Melanie, Noll, Reddy, PartyNoob, etc. Folly is there as well, giggling as she drags her hand across all the buttons, turning them all on as everyone who was waiting on the elevator groans in collective annoyance at what is now going to be a long ride, as the Dream Parasite looks away stifling her laughter.
