

Terms of Service for Personal Use Commissions

If you are not comfortable with my T.O.S and/or are not going to agree to them, I suggest you look for another artist.

For Commercial Use Commissions, please refer to [this](#) page.

GENERAL INFORMATION

- I accept Paypal payment.
- Only the digital file is purchased.
- I provide progress images (WIPS) of the piece (Sketch, ink and base colored stages.)
Changes are allowed and even encouraged (if desired) during the sketching phase. When I reach the inking stage, changes are unfortunately impossible to be made.
- After I finish your piece, I shall send you the full file with both watermark and without watermark. I would very much appreciate if you publicly post the watermarked version. If not, and you wish to post the unwatermarked version, please credit me!
- With each new piece I try to improve, so there may be slight differences between the samples in my gallery and the piece you will receive.
- By purchasing my work, you are automatically accepting my Terms of Service and are being obligated to follow them.

COPYRIGHT/USAGE POLICY

As the artist, I hold every right to the produced artwork, so I may use it for various things such as:

- Post the picture on various sites (Giving the proper credit that you are the owner of the character).
- Use it for promotional purposes.
- May publish books with it in the future.

AS A COMMISSIONER YOU MAY:

- Repost the art on other sites with proper credit to my gallery or page (with no profit purposes). I will appreciate if you only repost the watermarked version of the piece that I will provide.
- Use it as decoration for your deviantART profile, Facebook avatar, Skype... as long as it's a personal account and you're not making any profit with it. For Commercial Use Commissions, please refer to [this](#) page.

YOU ARE NOT ALLOWED TO:

- Change, modify, trace or use my works without my permission.
- Reproduce the copyrighted artwork commercially (meaning making money of it in any way)
- Take credit for the art.

ABOUT BACKGROUNDS

A simple background is included in the price of every picture but you may inform me if you wish for it or not (meaning a transparent or simple, white background).

PAYMENT PROCESS

- I accept Paypal payments.
- I require full payment before I start the artwork.
- If you don't know how much prices are in your currency, you can use [this](#) convertor.
- I will add you to my to-do list once payment is cleared and details are given.

HOW TO ORDER?

If you wish to order a commission from me, you will need to fill out [this form](#) and send it to my email rainingpetals21@gmail.com with the following subject:

- "Personal use commission" + your username - for personal use commissions
- "Commercial use commission" + your username - for commercial use commissions.

Please, note English is not my first language.

DURATION

- I will try to finish your piece as fast as I can however, please be patient with me. An estimation would be 1 to 2 weeks, even up to three months (maximum) since the moment I start working on your piece.
- I tend to work when I feel most motivated so that your commission is done properly and with best effort! (which is why it may take up to 3 months).
- I will always inform you if something comes up and there is a delay with the art.
- If you need your commission to be made by a certain date (example: the commission is a birthday present for someone) you must state it in the form. An extra fee may be charged due to giving your commission priority.

Thank you very much for reading and being interested in buying art from me!
