

GREAT NEWS AT DEER PARK SCHOOL! SATURDAY MORNING CLASSES ARE HERE!

Dear Parents/Guardians,

Deer Park Jr./Sr. School will be offering Saturday morning tutoring classes for students in grades 1-8 starting Saturday February 18, 2023, from 9:30 – 12:00 pm. This is a pilot project supported by the Continuing Education Department, and is part of the Provincial efforts to support learning recovery in response to the COVID-19 pandemic.

We will be offering support with Literacy, Mathematics, STEM, Early Reading and Foundational Skills, through fun, interactive and engaging lessons developed by OCT teachers.

Grade 1-5 students will enjoy the consistency of a regular classroom model with the same group of students each Saturday. Students will be placed in their current grade classes.

Grade 6-8 students have the choice of registering for our 'drop in' model for classes, where they will register for the entire 6 week program, but choose to attend all or some of the Saturday classes depending on their academic needs. Students will be supported by the class teacher in a variety of ways including, focusing on specific subject area concepts or skills, and/or working on unfinished or ongoing assignments from their regular school program.

The Saturday classes will initially run from Sat. February 18 to Sat. March 25.

Please complete the attached registration form and return to me as soon as possible to secure a spot these classes.

Feel free to contact me if you have any questions, as I will be the administrator for the program.
