Abstract (Times New Roman, bold, 10pt, centered): This document presents the instructions needed to prepare the abstract to be review for International Conference on Science, Technology, Engineering and Mathematics (ICSTEM) in conjunction with 14th International Postgraduate Conference on Science and Mathematics (IPCSM) 2026. All abstracts must be written in **Malay/English** language. Divide your abstract into clearly defined sections comprising **Background/Context, Problem/Objectives, Methodology, Results/Findings and Conclusion/Implications**. Authors are required to include one figure related to your project below of this written abstract. Abstracts must be submitted in **Microsoft Word (.doc) format**. The incorrect formatting may result in your submitted abstract being returned to you. All accepted abstract(s) will be notified officially via email. (Times New Roman, 10pt, justified)

Keywords: Include three to five keywords related to your research (Times New Roman, 9pt)

Figure: Title of your figure (Times New Roman, 9pt, centered)
