Hi Mr./Ms. Last Name,

Thank you for connecting with me this afternoon and for allowing me the opportunity to share with you my Student Visionaries of the Year campaign goals. I am very appreciative of your time and willingness to learn how you and company name can impact my campaign and the lifesaving mission of The Leukemia & Lymphoma Society (LLS)!

For next steps, please find the Student Visionaries of the Year 2025 corporate sponsorship packet attached, which also includes a commitment form when you are ready to move forward. You can also submit the commitment form online.

I have copied LLS staff first and last name from LLS who can help answer any questions you have about the sponsorship levels and benefits, so please do not hesitate to reach out to her directly.

As I mentioned earlier, my goal is to raise over insert personal/team goal and with company name's support, I will be one step closer to my goal!

PS- I would greatly appreciate any connections to other companies or business professionals that would be willing to hear my pitch, please let me know if you have anyone in mind!

I look forward to hearing from you!

Thank you so much,
