

We don't have a resource problem -
we have a Connection Problem.

Video Story-Teller of Dayton

Transforming Dayton through Story

Activities:

- Film untold transformative stories of people in Dayton that engage and activate
- Lead a transformative network of videographers throughout Dayton
- Teach individuals and not for profits how to leverage video to tell their story
- Log story opportunities for other videographers to capture
- Film StoryConnect specific gatherings and interviews
- Grow audience alongside or in lieu of communications director
- Be a part of a national network of leaders doing the same systems change level work in their city through story

Competencies:

- Video-based story finding, capturing, telling, and distribution
- Funding - optimize funding systems to crowdfund, grants, pay for service, raise salary, and crowdfund for projects with non-profits
- Ability to innovatively grow additional streams of income through services, adsense, affiliate links, affiliate agreements, splitting fundraising costs, etc.
- Strong mastery in production systems, partnership, etc.

Interests/Goals:

- Societal change via national collective impact
- Working on projects that are personally transformative
- Completing projects that are collectively transformative
