

# PROJECT 2037: EMAILS

**Directions:** You will write 2 SEPARATE emails about your vision board.

- Email 1: You will use the template below to write to your parents or guardians. A template is included.
- Email 2: You will write an email to someone who has been influential in your life besides your parents to help give you this vision. A current or past teacher, a coach, sister, brother, uncle, grandparent, neighbor, and etc. You will not be provided a template, be creative and explain why they have been important to you.

**Email 1 Directions:** Wrap up Project 2037 by sending an email home (parent/guardian) and including your teacher (\_\_\_\_.\_\_\_\_@fcps.org) detailing the project and some of the things learned from Project 2037. You may choose to use the template below. To access your FCPS email go to gmail.com.

*\*\* If you choose not to use the template then you should cover the following: Greeting, Summarize Project 2037, Age in 2037, Topics Covered, Three Things You Learned, Picture of Vision Board, Info on Potential Careers, Closure, Name.*

## Email Template:

Dear \_\_\_\_\_ (and Mr or Ms. \_\_\_\_\_),

Over the past week or so in Office Systems Management we have been working on Project 2037. This project has (summarize Project 2037).

In the Year 2037, I will be \_\_\_\_ years old. Can you imagine what life and the world will be like in 2037? Throughout this project we learned about Future Thinking, Personal Values, Finances, Budgeting and Future Career Decision-Making. I'd like to tell you about a few things that I learned from Project 2037. (Write about at least three things you learned from Project 2037)

We also created a Vision Board during Project 2037, here's a picture of what I came up with.

(insert picture of Vision Board)

The Careers that I came up with as a potential profession and would meet my projected Budget are (insert your two potential Careers).

Thanks for your continued support (or insert your own closure),
