

Prospective Students

NMS Virtual Tour

Millard North Middle School is proud to offer the International Baccalaureate Middle Years Programme (IB MYP) to our students! The MYP Programme was first implemented in 2005 at NMS and in 2012 we became an all IB school. Today, we are the **only** all IB MYP middle school in the state of Nebraska!

We provide a exceptional learning experience for ALL students that includes:

- A dedicated and experienced teaching staff
- A rigorous and engaging curriculum
- A High Ability Learner Program
- Service learning opportunities
- A World Language department that offers Spanish & exploration in French and German
- Over 20 elective courses
- Over 20 clubs and activities
- Interscholastic and intramural athletics

Here is why our students chose North Middle School

"I chose NMS because of the challenging and engaging educational structure. The teachers are encouraging and helpful. NMS is diverse and everyone feels included. Plus, the students are welcoming and fun." <i>Nick-6th Grade Plattsmouth</i>	"I wanted to be a part of the International Baccalaureate program. I wanted to not just learn from a local sense, but from a global sense. I love all the fun activities that students can participate in." <i>Ava- 7th Grade OPS</i>	"I chose to come to NMS because of the IB programme. IB World School students develop strong academic, social and emotional characteristics. NMS offers a variety of clubs and other activities, allowing for a more diverse and well-rounded education. NMS staff are very helpful, considerate, and dedicated to making sure that students are safe and learning." <i>Aruneem-8th Grade Elkhorn</i>	"I chose to come to NMS because of the challenging academics and the opportunity to continue to play cello in the orchestra program. The friendly atmosphere and the kind nature of the staff and students is warm and welcoming!" <i>Kathleen- 8th Grade Papillion</i>
