

Utah Registered
**Apprenticeship
Program**
for Teachers

Accepted Partners

The Utah State Board of Education is the Intermediary Sponsor for the Utah Registered Apprenticeship Program for Teachers (U-RAPT). Utah public school districts and charter schools are Employer Partners (EP) who hire apprentices. Utah-based colleges and universities are Related Instruction Providers (RIP) that support the apprentices to demonstrate the required competencies. Contact information for EPs and RIPs are listed below each institution.
