

NOTES

 Audio 3 : *Surah Ghafir*

 Verses: 1-35

▲ Our return is to Allah, the One who forgives, accepts repentance, can punish severely and is the Owner of abundance whose treasures are unlimited.

▲ We should never be deceived with those who despite rejecting Allah's ayaat still live safely.

▲ The angels that carry the throne الله تعالى and those around it make dua for the believers. So we should never compromise on our إيمان and never let it weaken.

▲ Similarly, our habit of zikr should improve as the angels will pray for us if we will remember Allah سبحانه وتعالى.

▲ The forgiveness from Allah on the Day of Judgement will be only His mercy. And that is the actual attainment.

▲ Allah alleviates the ranks of His servants. Our one prostration will increase our rank, erase our one sin and a good deed will be rewarded.

▲ We can hide from people but Allah is aware of every eye's deception and what hearts conceal.

▲ If someone opposes us or threaten us we should say:

♥ إِنِّي عُدْتُ بِرَبِّي وَرَبِّكُمْ مَنْ كُلُّ مُنْكَبِرٍ لَا يُؤْمِنُ يَوْمَ الْحِسَابِ ♥

♥ Indeed, I have sought refuge in my Lord and your Lord from every arrogant one who does not believe in the Day of Account. ♥

▲ We should not invite Allah's hatred by indulging into arguments about His verses without knowledge.
