

Privacy Policy for AMOLED Burn Fix

Thank you for using **AMOLED Burn Fix**. Your privacy is important to us, and we are committed to protecting your personal information. This Privacy Policy outlines how we collect, use, and protect the data associated with the app.

1. Data Collection and Usage

AMOLED Burn Fix does not collect, store, or share any personal data or sensitive information. The app operates entirely on-device and does not require access to your personal information or internet connection.

2. Permissions

The app may request access to:

- **Display settings:** To adjust brightness and display color patterns.
- **Wake lock permission:** To keep the screen on during the burn-in fix process.

These permissions are necessary for the app's functionality and are not used for data collection.

3. No Data Sharing

We do not share, sell, or transfer any user data with third parties. Since the app does not collect personal information, there is no risk of unauthorized data sharing.

4. Disclaimer of Liability

While **AMOLED Burn Fix** is designed to reduce screen burn-in effects, **we do not guarantee** that it will fully restore or fix all screen issues.

By using this app, you agree that **any damage caused to your mobile screen, including but not limited to permanent burn-in, discoloration, or reduced display quality, is not the responsibility of the developer.** Use the app at your own discretion and risk.

5. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected with a new effective date. Please review this policy periodically for updates.

6. Contact Us
