

Son Heung-min who tasted spicy 'Neighborhood Soccer'..."I can't do it because of you"

Son Heung-min played against an amateur soccer team in Jeongja-dong, Bundang-gu, Seongnam, Gyeonggi-do, where the Seongnam FC clubhouse in the K League 1 is located on the afternoon of the 6th..

The match, which ran from 6 p.m. to 8 p.m., was between amateur teams that included active national players such as Son Heung-min, Hwang Ui-jo, and Kim Seung-kyu (Alshab), and amateur teams (Eden FC, Total Football), including Park Hee-chul, who played for the Pohang Steelers in the past. [토토](#)

Hwang Ui-jo, who played for Seongnam FC, reportedly recruited the venue himself.

Son Heung-min appeared in a white top and black shorts. The hot weather rolled up my shorts. Son Heung-min stepped on the natural grass for the first time since the A match in June. In the first and second quarters, which lasted 25 minutes, Son Heung-min was quite embarrassed by the opponent's attack.

It's not a fierce game, but the opponent's attack was stronger than I thought. Meanwhile, Hwang Ui-jo took a chance and hit a shot, but when the chance flew away due to the opponent's goalkeeper's punching, Son Heung-min laughed at the joke, "I can't because of you!"

Outside the stadium, about 50 people who heard about Son Heung-min's game watched the game under the screen of the soccer field. Son Heung-min once or twice showed room to wave to his fans, and he had a good time with a "click ceremony" after scoring a goal in the third quarter.

Meanwhile, Son Heung-min will join Tottenham, which will enter Korea on the 10th, play against the K League All-Star on the 13th, and play a friendly match against Sevilla on the 16th.
