INTRODUCTION

There has been a great deal of emphasis on developing entrepreneurship in the country to promote first generation entrepreneurs. Realizing the effective role of entrepreneurship in the process of industrialization in the developed countries, India and others developing nations viewed this as an effective measure to develop entrepreneurship to promote national production, balanced regional development, and dispersal of economic power and provide better employment opportunities.

It is a pertinent fact that the youth contribute Forty percent (40%) of total population of India. Therefore, it is important to encourage youth to take up entrepreneurship as a career for the growth and development of the country.

However, developing entrepreneurs requires effort by way of counselling, guiding and supporting the prospective entrepreneurs in various stages starting from conceiving the project ideas to final implementation and successfully running of the micro enterprises. Entrepreneurial training has been found to be of special significance for helping potential entrepreneurs to establish and manage their enterprises successfully. Responding to the above, it become a urge of the day that entrepreneurship must be promoted.

The Ministry of Skill Development & Entrepreneurship (MSDE), Government of India (GOI) has launched a World Bank loan assisted programme which is an outcome-oriented Pilot Project. Aims to implement the mandate of the National Skill Development Mission (NSDM). The project is being implemented in mission mode and is aligned with the overall objectives of the NSDM.

NIESBUD has been sanctioned Pilot Project for strengthening the entrepreneurship ecosystem to different sections of the society including marginalized population with the under the EDP Training Programmes of the Ministry of Skill Development and Entrepreneurship (MSDE).

Under one of the activity in PILOT PROJECT sanctioned to NIESBUD the institute is conducting Entrepreneurship Development Programme for youths followed by mentoring and handholding to trainees who have strong desire to pursue entrepreneurial opportunities. The initiative targets 5000 youths in 10 states and envisages outcome in the form of establishment of Nano and Micro Enterprises as well as linking up participants with suitable wage employment.

The EDP being organized under PILOT PROJECT is spread over a period of 15 days and aims at imparting to the learners a thorough insight into the various aspects of enterprise creation, technical know-how, credit sources, and marketing of products and changing trends of market in global scenario. The programme will make the participants to understand the concepts of identification/ selection of projects and setting up of own enterprise so as to run their business successfully. While the programme incorporates a thorough briefing on Government support systems, it also includes additional benefits of being an entrepreneur. The institute has organized Entrepreneurship Development Programme under PILOT PROJECT at Berhampur, Ganjam Odisha from 16.02.2023 to 03.03.2023
