

Meet the Instructor

RACHELLE
DAVIS

Rachelle Davis comes from a family of educators and always dreamed of being a teacher! She completed her undergraduate work at Olivet Nazarene University and went on for her Master's Work in Special Education at Illinois State and Governor's State Universities. To extend her special education degree, Mrs. Davis studied sign language at Kankakee Community College and became the teacher after 1 year! She went on to work with the deaf community for years.

Teaching opportunities have included homeschooling her 3 children from kindergarten through high school, teaching high school ELA special education, substitute teaching, teaching 1st grade for OVA hybrid, and her current role as OVA mentor, TOR, and Site Advisor.

Alongside her teaching career, Mrs. Davis is a pastor's wife and serves as the 5/6th youth group leader.

Mrs. Davis loves to read, teach, and travel our country/other parts of the world to learn and explore! She adores her 2 "grandrascals" and spends a lot of time in Texas loving on them! Mrs. Davis is excited to work alongside the Renaissance team!
