

Our Creation Studios Copyright Policy

The builds provided on this Patreon page are the intellectual property of Our Creation Studios. Unauthorized use, distribution, or modification of these builds is strictly prohibited.

Permitted Uses:

- **Personal Use:** You may use these builds for your own personal, non-commercial enjoyment.
- **Showcasing Free Builds:** You may showcase the free builds in videos, streams, or social media posts, provided that credit is given to Our Creation Studios and a link to this Patreon page is included.

Prohibited Uses:

- **Showcasing Paid Builds:** You are not permitted to showcase paid builds in any form, including videos, streams, or social media posts, without explicit written permission from Our Creation Studios.
- **Commercial Use:** Selling, trading, or using these builds for any commercial purpose without explicit permission from Our Creation Studios is prohibited.
- **Redistribution:** Uploading these builds to other platforms or sharing them without authorization from Our Creation Studios is not allowed.
- **Modification:** Making significant modifications to these free builds and claiming them as your own is strictly prohibited.

Reporting Infringements:

If you come across any unauthorized use or distribution of these free builds, please report it to ourcreationstudios@gmail.com

By accessing and using these builds, you agree to adhere to these terms and respect the creator's rights. Thank you for supporting and respecting the hard work that goes into creating these builds!
