

There will be approximately 10-15 trash/recycling and maybe composting stations. The goal is to have a person at each station. Please place your name under the Shift you are volunteering for. If you want to stay for both, please put your name in both columns.

Please check in 15 minutes prior to your shift and to pick up your T-shirts/Ticket/Pizza at Pray, Think, Love - St Mathew's Episcopal Church on 30 E College Ave (come in through the front door to the large room in the back). I, Bethany, will meet you in this space to direct you to your designated bin area.

Parking is located throughout Uptown. There is no designated parking for this event.
