

Alphabet Community Helpers

Click to view [Alphabet Document](#) in Google Docs

Name: _____

We have gone over many community helpers that you will see in your everyday life. But there are more that we have not even thought about. Here is your challenge...

In your Journal, take the alphabet and see if you can come up with a community helper for EVERY letter. If you get stuck, feel free to do some research. Your job is to come up with only one helper per letter, but do more if you can!
