

# Everyday Teaching Ideas

Hi TYCAMW people! Let's share the cool things we're doing in our classrooms.

Please link or copy/paste your ideas below.

| Topic                              | Link / Content (Give Yourself Credit)                                                                                                                                                                   |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Before Classes Begin...            | <ul style="list-style-type: none"><li>• <a href="#">Liquid Syllabus Idea</a>, sent to students before classes start in order to lower anxiety, etc.</li></ul>                                           |
| Activities                         | <ul style="list-style-type: none"><li>• tbd</li><li>• Reflective Learning Journal, <a href="#">Canva</a> link (Sybil, NDSCS)</li></ul>                                                                  |
| AI                                 |                                                                                                                                                                                                         |
| Alternative Assessment / Ungrading | <ul style="list-style-type: none"><li>• <a href="https://bit.ly/sybil_ungrading">https://bit.ly/sybil_ungrading</a> (Sybil Priebe, NDSCS)</li><li>• tbd</li></ul>                                       |
| DEI                                |                                                                                                                                                                                                         |
| OER                                | <ul style="list-style-type: none"><li>• <a href="https://bit.ly/NDSCS-Open-Folder">https://bit.ly/NDSCS-Open-Folder</a> (Sybil Priebe, NDSCS)</li><li>• tbd</li></ul>                                   |
| Cool Projects                      | <ul style="list-style-type: none"><li>• tbd</li><li>• The Rabbit Hole Project, <a href="#">Canva</a> link (Sybil, NDSCS)</li><li>• The Music Essay, <a href="#">Canva</a> link (Sybil, NDSCS)</li></ul> |
| Presentations to Use in Class      |                                                                                                                                                                                                         |
| Articles To Read                   |                                                                                                                                                                                                         |
| DUAL CREDIT C1                     | <a href="#">We Are (Dual Credit) English</a> (contact information within, if you have ?s/need access)                                                                                                   |
