Faculty Rep.-Lara Stout

Non-Voting Attendees

Jill Durrant-Area Administrator
Rachel Weber-BTSALP Teacher

Meeting Minutes

Unanimous vote for Josh Harrison to be the SCC chair, Jennifer Preece to be the Vice Chair and Lara Stout to be the secretary.

Garett provided a detailed explanation of the agenda and expectations.

Julia brought up a complaint about drop off in the north parking lot. New signs are being ordered, trees may be trimmed up. Reminders have been sent out about the drop off /pick up procedures. It is a group effort.

Garrett explained the difference between DLI permits and general education permits.

Discussed the numbers for class size for DLI and general education classes. Shelley Beck is helping the 4th grade classes. Cherise Baldwin serves as a math aide and how this is a positive support for our classes.

Safe Walking Route: The skybridge area has been cleaned up, the lights in the parking lot the district are incharge of. The ice rink by the minipark has been turned over to the city. Speak with your neighbors about what concerns them about the walking route. Students walking will decrease the parking lot traffic. Complaints could be put onto Riverton Connect.

Next meeting: January. To discuss safe walking routes.
