

ART Studio

August NEWSLETTER

Welcome to Our Studio!

A message to Artists:

Hello Friends and Artists!! I hope you all had a fun-filled and creative Summer Break! I am so excited to welcome you back into the Studio this month. The 2025-2026 School Year is going to be the best one yet! I can not wait to make many amazing masterpieces, messes and memories with you this year!

A message to Parents:

Please keep an eye out in Transparent Classroom for photos and updates on what your child is working on in the Studio each week! You can also “friend” the “Bethany Hope” account on Facebook for additional updates. This is our official CEMCS Art Facebook account still, but I had to change the name recently due to some new Facebook rules and regulations.

Also, please make a note of your child(ren)’s Art day and be mindful that they may come home a little messy on those days! (We try to be careful, but it is Art Class after all!) Thank you in advance for understanding!
