ART Studio

NOVEMBER NEWSLETTER

Welcome to Our Studio!

A message to Artists:

Hello Friends and Artists!! This school year sure is flying by! So far we've made prints, collages, scratch offs, weavings and more! I can't wait to see what we make next!

A message to Parents:

Please keep an eye out in Transparent Classroom for photos and updates on what your child is working on in the Studio each week! You can also "friend" the "Bethany Hope" account on Facebook for additional updates. This is our official CEMCS Art Facebook account still, but I had to change the name recently due to some new Facebook rules and regulations.

Also, please make a note of your child(ren)'s Art day and be mindful that they may come home a little messy on those days! (We try to be careful, but it is Art Class after all!) Thank you in advance for understanding!

IMPORTANT DATES:

December 4th: Upper Elementary Field Trip to the Jepson Center

(For 5th Grade Families) **January**: Application window for Garrison open, **February**: Garrison Live Drawing Auditions are held and Portfolios are Due
