Registration Protection Insurance

We understand that unexpected events can sometimes prevent your child from completing their season. HHA has a Zero Refund Policy. The past few years we have offered sports fee insurance through USSCI. In March 2025 USSCI was acquired by Vertical Insure. This season, you'll have the option to add the same great Registration Protection during registration, through Vertical Insure!

This insurance covers your fees if your athlete can't participate due to injury, illness, job loss, relocation, military duty, or the death of an athlete or parent. [Learn more!](#)

This has saved families in the past, and we strongly urge every parent to get covered!
