

DALLE-e in Love

DALL-e is pretty good with dark, ironic songs.

Meat Loaf, *Bat out of Hell*

Then I'm down at the bottom of a pit in the blazing sun
Torn and twisted at the foot of a burning bike
And the last thing I see is my heart
Still beating, still beating
Breaking out of my body and flying away
Like a bat out of hell
Oh, like a bat out of hell

Eurhythmics, *Love is a Stranger*

Love is a stranger
In an open car
To tempt you in
And drive you far away

B-52's, *Rock Lobster*

We were at the beach
Everybody had matching towels
Somebody went under a dock
And there they saw a rock
It wasn't a rock
It was a rock lobster

But its results with sweet songs and cute songs are grotesque. I like that.

Beatles, *Why Don't We Do It in the road*

Why don't we do it in the road?

Why don't we do it in the road?

No one will be watching us

Why don't we do it in the road?

Leonard Cohen, *Suzanne*

Suzanne takes you down
To her place by the river

...

And you think you maybe love her
For she's touched your perfect body
With her mind.

Everly Brothers, *Wake up Little Susie*

The movie wasn't so hot
It didn't have much of a plot
We fell asleep our goose is cooked
Our reputation is shot
Wake up little Susie

Bobby Vee, *Rubber Ball*

You go and squeeze me til I'm all aflame

(She calls you by some other guy's name)

But like a rubber ball, I come bouncin' back to you

Rubber ball, I come bouncin' back to you

The Chordettes, Lollipop

And when he does his shaky rockin' dance

Man, I haven't got a chance

I call him, lollipop, lollipop

Oh lolli lolli lolli, lollipop, lollipop

Bruce Springsteen, *Hungry Heart*

Everybody's got a hungry heart

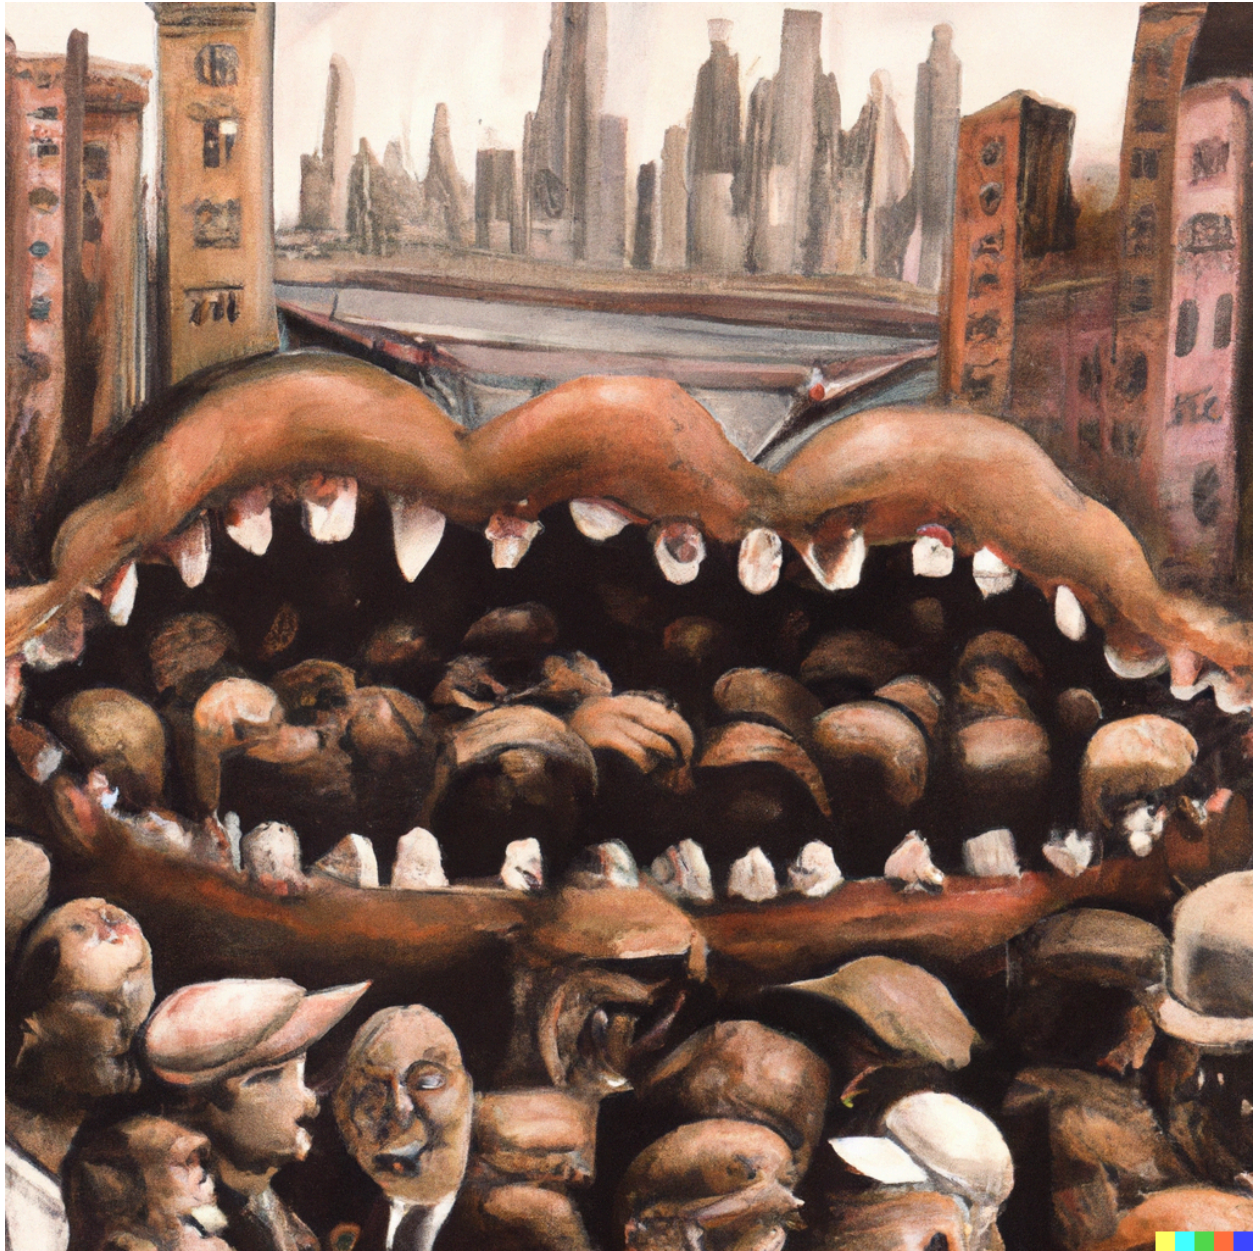

Everybody's got a hungry heart

Lay down your money and you play your part

Everybody's got a h-h-hungry heart

And also . . .

The Everly Brothers, *So Sad (to Watch Good Love Go Bad)*

We used to have good times together

But now I feel them slip away

It makes me cry to see love die

So sad to watch good love go bad

The Rolling Stones, *Not Fade Away*

I'm gonna tell you how it's gonna be

You're gonna give your love to me

I want to love you night and day

You know my loving not fade away

kjk

And also

Frankie Lyman and the Teenagers, *Why Do Fools Fall in Love*

Why does my heart skip a crazy beat?

Before I know it will reach defeat!

Tell me why, why, why

Why do fools fall in love?

The Beatles, *All You Need is Love*

All you need is love

All you need is love

All you need is love, love

Love is all you need
