Fall 2026 - Blocks 2-4

☐ **FYW** - You will need a first year writing course. If you brought in a transfer credit WRT 016, you do NOT need to take this course.

☐ **MAJOR ROAD MAP**

- Decided on your major(s)? Try to take the classes listed for the first year
- Not sure about your major? No problem! Find a couple areas with a possible interest and take some of the first year courses for that major
- Can't get into a listed class? No problem! You have 4 years here, your faculty advisor will help you later. This is why we have first, second, and waitlist choices.

☐ **SELF SERVICE** - Look through the class options for 100 level courses to "try out".
