Back at Dagobah, Luke _____ still studying with Yoda. Yoda was teaching him to use the Force. Luke was carrying many things in the air with his mind. Then Luke had a vision. "Han! Leia!" Luke yelled out. Everything fell to the ground.

Yoda was not happy. "Control, control. You must learn control," Yoda said.

"I saw a city _____ the clouds," Luke said.

Yoda thought. "You have friends there," he said.

"They were in pain," Luke said.

"It is the future you see," Yoda said.

"The future? Will they die?" asked Luke.

Yoda closed his eyes and lowered his head. "It's difficult to see. The future is always in motion."

"I've got to go to them," Luke said.

"You must decide how to serve them best," Yoda said. "If you leave now, you could help them. But you would destroy all for which they have fought and suffered."

Meanwhile, Han's ship was flying towards Cloud City. Han was on the radio to the other ships. "No, I don't have a landing permit. I'm trying to reach Lando Calrissian."

One of the ships fired at Han's ship. "Whoa! Wait a minute! Let _____ explain," Han said.

"You will not deviate from your present course," said the other ship.

"Rather touchy, aren't they?" C3PO remarked.

"I thought you knew this person," said Leia.

Chewbacca growled. "Well, that was a long time ago," Han said. "I'm sure he's forgotten _____ that. There's nothing to worry about. We go way back, Lando and me."

"Who's worried?" asked Leia.

Han's ship landed, and everyone got out. "Oh. No one to meet us," C3PO commented.

"I don't like this," Leia said.

"Well, what would you like?" Han asked.

"They did let us land," C3PO said.

"Look, don't worry. Everything's going to _____ fine. Trust me," Han said.

The door to the city opened, and Lando came out. "See? My friend," Han said. But then in a softer voice, Han added to Chewbacca, "Keep your eyes _____, okay?"

Lando approached Han. "Why, you slimy, double-crossing, no-good swindler! You've got a lot of guts coming here, after what you pulled."

Han pointed to himself innocently, and mouthed "Me?"

Lando moved threateningly toward Han. But then suddenly, he threw his arms around Han, hugging him. "How are you doing, you old pirate? It's so good to _____ you! I never thought I'd catch up with you again. Where have you been?"

"Well, he seems very friendly," C3PO remarked.

"Yes, very friendly," Leia said, but her voice still sounded worried.

"What are you doing here?" Lando asked.

Han gestured towards his ship. "Repairs. I thought you could help me out."

"What _____ you done to my ship?" asked Lando.

"Your ship?" said Han. "Hey, remember, you lost her to me fair and square."

"How are you doing Chewbacca?" Lando asked. "Are you still hanging around with this loser?" Lando suddenly noticed the princess and smiled. "Hello. What have we here? Welcome. I'm Lando Calrissian. And _____ might you be?"

"Leia," answered the Princess.

"Welcome, Leia," said Lando, kissing her hand.

"All right, all right, you old smoothie," Han said, taking Leia's hand away from Lando.

C3PO eagerly approached Lando. "Hello, sir. I am C3PO, human-cyborg relations. My facilities are at your--" But Lando walked away before C3PO could finish his self-introduction.

"Well, really!" said C3PO angrily.

"What's wrong with the ship?" Lando asked.

"Hyperdrive," Han said.

"I'll get my people _____ work on it," said Lando.

"Good," said Han.

"You know, that ship saved my life quite a few times," said Lando. "She's the fastest hunk of junk in the galaxy."

As they walked down the hall, C3PO saw a similar robot. "Oh! Nice to see a familiar _____," he said. The robot responded with an insult. "How rude!" C3PO said. C3PO wandered in to the room, when suddenly a man's voice asked him, "Who are you?"

"Oh, I'm terribly sorry. I didn't mean to intrude. No, no, please don't _____ up. No!" C3PO was shot, causing his robot body to scatter in all directions.

Meanwhile, Luke was preparing to leave Dagobah. Yoda was trying to convince him to stay. "Luke! You must complete the training," Yoda pleaded.

"I can't keep the vision out of my head," said Luke. "They're my friends. I've got to help _____."

"You must not go!" said Yoda.

"But Han and Leia will die if I don't," Luke said.

Obi-Wan Kenobi's voice came from the air. "You don't know that." Obi-Wan appeared before Luke. "Even Yoda cannot see their fate."

"But I can help them! I feel the Force!" said Luke

"But you cannot control it. This is a dangerous _____ for you, when you will be tempted by the dark side of the Force," said Obi-Wan.

"Yes, yes. Listen to Obi-Wan," said Yoda. "Remember your failure at the cave!"

"But I've learned so much since then," said Luke. "Master Yoda, I promise to return and finish what I've begun. You have _____ word."

"It is you and your abilities the Emperor wants. That is why your friends are made to suffer," said Obi-Wan.

"And that is why I have to go," said Luke.

"Luke, I don't want to lose you to the Emperor the way I _____ Vader," said Obi-Wan.

"You won't," said Luke.

"Only a fully trained Jedi Knight with the Force as his ally will conquer Vader and his Emperor," said Yoda. "If you end your training now, if you choose the quick and easy path, as Vader did, you will become an agent of evil."

"Patience," said Obi-Wan.

"And sacrifice Han and Leia?" asked Luke.

"If you honor what they fight for, yes!" said Yoda.

"If you choose to face Vader, you will do it alone," said Obi-Wan. "I cannot interfere."

"I understand," Luke said.

Luke prepared to leave. Obi-Wan shouted out a final warning to him. "Luke, don't give in to hate--that leads to the dark side."

"Vader is strong. Remember _____ you have learned. It can save you," said Yoda.

"I will. And I'll return. I promise," said Luke. And then Luke flew away in his plane.

Yoda sighed. "I told you he was reckless. Now matters are worse."

"That boy is _____ last hope," said Obi-Wan.

"No. There is another," said Yoda.

Meanwhile, Han and Leia were talking in Cloud City. "The ship is almost finished," said Han. "Two or three more things and we're in great shape."

"The sooner the better," Leia said. "Something's wrong here. No one has seen or knows anything about 3PO. He's been gone _____ long to have gotten lost."

"Relax," said Han. "I'll talk to Lando and _____ what I can find out."

"I don't trust Lando," said Leia.

"Well, I don't trust him, either," said Han. "But he is my friend. Besides, we'll soon be gone."

Chewbacca came in with the pieces of C3PO. "What happened?" asked Leia.

Chewbacca growled. "Where? Found him in a junk pile?" said Han.

"Oh, what a mess. Chewie, do you think you can repair him?" asked Leia.

Chewbacca shrugged.

"Lando's got people who can fix him," said Han.

"No, thanks," said Leia.

The door opened and Lando came in. "I'm sorry. Am I interrupting _____?" asked Lando.

"Not really," said Leia.

"You look absolutely beautiful," Lando said to Leia. "You truly belong here with us among the clouds. Would you join me _____ a little refreshment?" Chewbacca growled.

"Everyone's invited, of course," Lando said.

As they walked, Han and Leia talked to Lando. "Aren't you afraid the Empire's going to find out about this little operation and shut you down?" asked Han.

"That's always been a danger," Lando said. "But I've just made a deal that will keep the Empire out of here forever."

Lando opened the door, revealing Darth Vader. Han shot at Darth Vader, but Darth Vader blocked the lasers and took away Han's gun with his mind. "We _____ be honored if you would join us," Darth Vader said. Behind Han and Leia, stormtroopers arrived.

Han gave Lando a mean look. "I had no choice. They arrived right before you _____." "I'm sorry," said Lando.

"I'm sorry, too," said Han.
