

UHN Opportunities for Students – January Programming

At UHN STEM Pathways we provide a variety of free events and offerings for youth. Programming can occur both in-person and virtually. To encourage youth to participate and expand their STEM knowledge, we also provide Certificates of Participation.

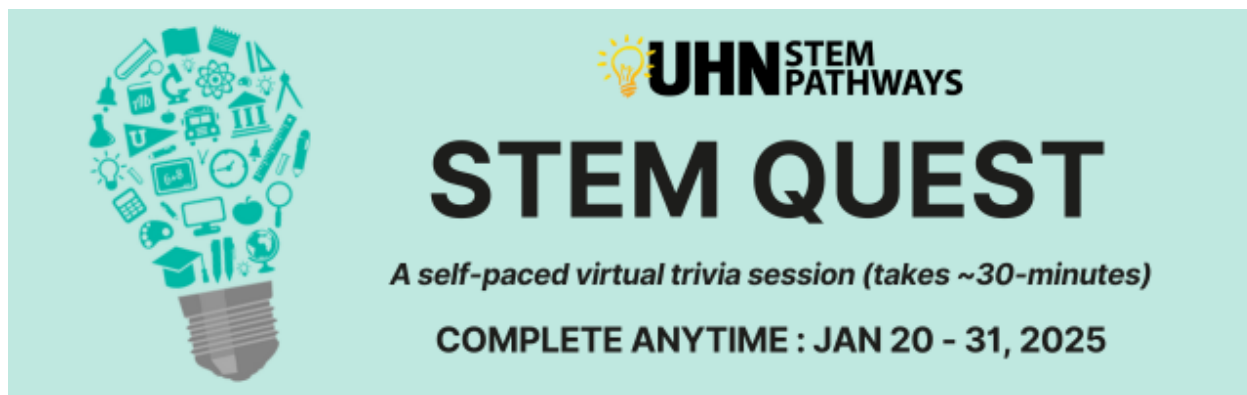

All youth who attend **7 UHN STEM Pathways Events** between September 2024 and June 2025 will get a **Certificate of Participation** signed by senior UHN leadership. If youth are from TDSB, TCDSB or WCDSB they will also receive a **Health and Wellness SHSM** certificate (Medical Terminology or Lab Practices). If youth are from a different school board, please contact us to arrange SHSM Certificates with the appropriate teacher.

STEM Quest – Virtual Trivia

Open January 20-31, 2025 | Self-Paced, Complete Anytime | Virtual

Audience: Grade 9-12 and Undergrad/College students

Description: During this week-long event, youth will get to participate in a fun trivia session. Test your knowledge of all things STEM (hint: previous UHN STEM Pathways events/sessions may help spark your memory). This session will be hosted as a short (~30 minute) quiz on Slido and can be completed at any time during the week.
