

Student Life Photography

THE ASSIGNMENT

Students can submit any student life photograph **created during the school year** that addresses the prompt below. Submissions to KSPA monthly contests year are eligible to be submitted for this state contest as well.

The editor of your publication would like you to create a photograph to accompany a story about **friendships at your high school**. This can be **any kind of friendship: between students, between teachers, between staff members, etc.** Consider how you can photograph the emotions and interactions between friends without posing the photograph.

Of course, this contest expects that you act ethically. Those ethics mean that you don't use software to deceive your audience. Consider ways that you can create compelling images without manipulating the truth.
