

Nearpod Agenda

Facilitator: Neuronos Cruz
cruzneur@orange.k12.nj.us

PD Purpose: This is a basic overview of **Nearpod** and its use in the classroom.

Nearpod is an online tool that teachers can use to create lots of different interactive learning resources that allow students to engage and learn via their device or a single screen in the room.

Intro (Part 1):

1. What is Nearpod?
2. Have you ever used Nearpod in your lessons?
3. Visit Nearpod.com and join my lesson (Time to try it out)
4. Creating Time to Climb Activity
5. Creating a Poll
6. Benefits of Nearpod for Teachers and Students
7. Collaborations
8. Access your Nearpod account using Clever
9. Q&A
