

DST NM-ICPS Technology Innovation Hub on Autonomous Navigation and Data Acquisition Systems (UAVs, ROVs, etc.) – TiHAN at IIT Hyderabad

Annexure A: Proforma for submission of Project Proposal by Startups and SSS

OVERVIEW

1. Project Title

Provide the title of the project.

2. Organization

a) Name, b) Address, c) Legal status (indicate if Government Department, Statutory, Corporate Body, Registered Society, Private Company with recognized R&D unit, EIR, Start-up etc.)

3. Management

Mention the PI, Co-PI, Founder, Co-Founder details

1. Name:
2. Designation/ Status:
4. Institution:
5. Postal Address:
6. Email:
7. WhatsApp no:

4. Duration of the Project

Mention the duration of project (Max. 12 months)

5. Context/Background

This section should provide a general description of the project being proposed highlighting the relevance and importance (Max. 1000 Words).

6. Problems to be addressed

Should specify the clear challenges and problems that will be addressed as part of this project (Max. 1000 Words).

7. Objectives and Deliverables

Provide clear objectives and deliverables goals of the project (Max. 1000 Words).

8. Technology

This section should elaborate the technology Research, Design, and Development plan for achieving the above-described objectives and deliverables and the Technology Readiness level (Indicate TRL both at start of project and end of project) Max. 8 pages with font size 11).

9. Timelines

Monthwise break-up of physical achievements with specific intermediate milestones (in terms of aims and objectives). Provide timelines using PERT/Gantt chart.

10. Expected Outcomes

Please provide the following:

- A. Specifications of subsystem/system and translational research outcomes
- B. Plans for Commercialization
- C. Manpower trained (Level and No.)
- D. No. of Technology Products, Publications, IPRs, etc.
- E. TRL level at end of Project

11. Target Beneficiaries

Provide the list of target beneficiaries. Suggested to consult various stakeholders (public or private) for their participation in the project (Max. 500 Words).

12. Strategy

Please provide the execution strategy for achieving the developmental objectives in the proposed timeline. Also, exploration plans for additional funding through alternate sources (public or private) should also be listed (Max. 500 Words).

13. Legal Framework

Should present the legal framework for the implementation of the project (Max. 200 Words).

14. Environmental Impact

State the environmental impact of the proposed objectives (Max. 200 Words)

15. Finance

Provide in a table the Quarterly (Every 3 Months column) budget under headings (1) Capital Equipment, (2) Consumables, (3) Manpower, (4) Travel, & training (5) Technology Development, (6) Contingency & other expenditure and (7) HRD & Skill Development. Provide justification for each of the heads

S. L	Budget Head	1st 3mont s (INR)	2nd 3mo	3rd 3m o	4th 3mo	Total (INR)
1	Capital Equipment					
2	Consumables					
3	Manpower					
4	Travel & Training					
5	Technology Development					
6	Contingencies					
7	HRD & Skill Development					
	Grand Total					

Provide (1) List of equipment & consumables and 2) quotations of the equipment / consumables if available as supporting documents.

16. Details of Academic Collaborators

Provide list of national or international collaborators. Attach the express on of interest from the partners,

17. Details of Industry Partners

Provide list of national or international industry partners. Attach the expression of interest from the partners

Signature of Principal Investigator

Name:

Designation:

Date:

Signature of Head of the Startup/ Organization
