

Privacy Policy

Last Revised: Jul 09, 2024

This Privacy Policy explains our practices regarding the collection, use, disclosure, and protection of information that is collected through our Service, as well as your choices regarding the collection and use of information.

The app is created to monitor Online status of your kids. This app can help you monitor activities of your kids and get instant notifications about their online and offline statuses. This app doesn't violate the Privacy Policy and Terms of Service of any third parties and use only publicly available data. The app is not affiliated with any 3rd parties.

- [How We Collect and Use Information](#)

We collect the following types of information about you:

Registration and Profile Data. We are responsible for processing your Registration Data, which is used for communications with you and for the provision and management of your use of our Services. It is also used to measure and improve the Services and functionality and to provide customer service, send email notifications and (unless no longer in the distribution list) newsletters, or communications, in general, about the Services, products and novelties, and offers or promotions offered by us.

When you create an account, we may collect your personal information such as your name, mobile phone number and profile photo. If you want to add a contact to your account to see Online status, we collect the contact name and mobile phone number (determined by you).

- [Data the application receives and stores](#)

- Name and version of the operating system
- Token that allows you to send you notifications.
- Unique user ID (UUID or identifierForVendor).
- Device name
- Application Version
- Language
- A country
- IP address
- Device Model
- The information you enter to use the features of the application.

Commercial Communications. By filling in and sending your Registration Data to us, you expressly consent to receive electronic commercial communications regarding the subject matter of the Services, and other services including alerts and notices about your Covered Account(s), and, if you selected the “opt-in” mechanism, you may also receive newsletters, offers and promotions.

- [Sharing of Your Information](#)

We treat your Data with strict confidentiality in accordance with applicable law. User data is private and never transferred to third parties. For correct operation, the application interacts with social networks. You will see this when you start using the functions of the application. We do not share your data with social networks. What data can be obtained:

- Online status
- Avatar
- Name

- [How do we use your personal data?](#)

We may use your personal data:

1. to **enable you to access and use** the Services. For example;
 - To create user accounts and profiles;
 - To provide you with the correct versions of our applications and/or games; and
 - To send you service related communications including confirmations, technical notices, updates, security alerts, and support or administrative messages
2. to **personalize and improve** aspects of our Services. For example;
 - To respond to your customer support requests;
 - To receive error messages about any issues you / your device encounters with our Services to enable us to fix bugs and interoperability issues;
 - To detecting and preventing illegal activities;
 - To track application installs, for purposes of measuring the effect of our marketing campaigns;
 - To conduct optional user feedback surveys;
 - To remember you next time you visit one of our Services; and
 - Communicate with you about promotions, rewards, upcoming events, and other news about products and services offered by us.
3. to **communicate** with you, including some or all of the following:
 - To provide you with in-app offers and rewards based on your interaction with our Services;

- To serve you with relevant targeted advertisements;
- To make you offers to purchase in-app items on discount based on your activity with our application and your purchase history; and
- To send you marketing communications and/or newsletters if you have subscribed for them about rewards and promotions.

4. for **research**, such as analyzing market trends and customer demographics;

5. To **comply** with legal obligations, including to prevent and/or detect fraud or provide disclosure to the authorities when required by applicable law.

- [How we protect your information](#)

We care about the security of your information and use commercially reasonable physical, administrative, and technological safeguards to preserve the integrity and security of all information we collect and that we share with our service providers. However, no security system is impenetrable and we cannot guarantee the security of our systems 100%. In the event that any information under our control is compromised as a result of a breach of security, we will take reasonable steps to investigate the situation and where appropriate, notify those individuals whose information may have been compromised and take other steps, in accordance with any applicable laws and regulations.

- [Legality of data collection](#)

The user of the application confirms that any data related to the phone number used in the application belongs to the user legally. The user guarantees that the data processing does not violate the rights of third parties and any use of the application is carried out with the consent of the user and on his direct instructions.

- [Children's Privacy](#)

The Service is intended to be used by children under 13 only with significant parental involvement and approval.

- [Changes to This Privacy Policy](#)

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

- [How you can contact me](#)

If you have any questions or requests, you may contact us and our data protection officer using the in-app support feature in our Services, via e-mail d.kondratovich@gmail.com.
