

## Sound Elements

music,  
sound effects,  
or narration

## Experts

people who are  
knowledgeable about a  
topic discussing their  
thoughts and ideas

## Live Action

scenes of events  
with characters,  
people, or objects  
that can be real  
or imagined

# Media Techniques

Authors use media to inform, entertain,  
and persuade viewers. Media techniques  
are the ways a topic, idea, or other  
information is presented.

## Visual Elements

brightly-colored  
graphics and text that  
catch the viewer's attention

## Animation

illustrated characters  
or objects in motion
