

Privacy Policy — Myth Check

Last updated: 2026-03-02

1. Who we are

Myth Check is a mobile app published by **M Projects**.

- **Contact:** mythcheckapp@gmail.com
-

2. Key points (quick summary)

- **No account required.**
 - **No personal details needed** to use the app (name, email, precise location).
 - The app displays ads through **Google AdMob**, which may process certain technical identifiers to serve and measure ads.
-

3. Information processed

Myth Check itself does not require you to provide personal information.

If ads are enabled via **Google AdMob**, Google may process:

Device & identifiers

- **Android Advertising ID** (Advertising ID)
- **IP address**
- **Device information** (model, OS version, language)
- **App information** (app version)

Ad-related activity

- **Ad impressions, clicks, and measurement events**
-

4. Why this information is used

If AdMob is enabled, the data may be used to:

- **Display ads** in the app
- **Measure ad performance**
- **Prevent and detect fraud/abuse** related to advertising

We do not sell your personal data.

5. Third-party services (Google AdMob)

Ads are served by **Google AdMob** (Google Ireland Limited). Google may act as an independent controller for data it processes for advertising purposes under its own privacy policy:

- <https://policies.google.com/privacy>
-

6. Your choices

You can limit ad personalization and reset your **Advertising ID** in your Android settings (wording may vary by device/Android version):

- **Settings → Privacy → Ads**
-

7. Internet connection

An internet connection may be required to load content and ads. When this happens, technical data such as IP address may be processed by network providers and/or the advertising provider.

8. Children's privacy

Myth Check is not intended to collect personal information from children. If you believe a child has provided personal information to us, please contact us and we will take appropriate action.

9. Changes to this policy

We may update this Privacy Policy from time to time. The **Last updated** date above will be revised accordingly.

10. Contact

If you have any questions about this Privacy Policy, contact:

- **mythcheckapp@gmail.com**
-

How to report a bug or issue

If you encounter an issue, bug, or unexpected behavior in the Myth Check app:

1. Go to the screen where the issue occurred.
2. Take a screenshot if possible.
3. Send an email to **mythcheckapp@gmail.com**
4. Use a clear subject such as **Bug report** or **App issue**
5. In the email body, include:
 - A brief description of what happened
 - Steps to reproduce the issue (if known)
 - The screenshot (if available)
