Washington DC Tour – May 2, 3, 2024

This tour is about the hidden destiny of America to become a Holy Land. Not something that is found somewhere else, but here under our feet. This is more than a look at the past, but a tour looking to the future of America's Destiny. That future includes understanding the role of "Wisdom" the personification of our Heavenly Mother, and the role her daughters will play in bringing that magnificent destiny forth. This information was left for the humble seekers

The builders of Washington DC left us a map hidden in plain sight. It is like going to a university populated by archetypes in stone, carvings, monuments, statues, temples and inscriptions. Like a student of the ancient mystery schools where they silently communicate a curriculum designed to inspire, elevate and teach eternal Truth. The goal of this ideal society is shared by all who recognize "God" as that which has created and sustains the universe.

(However, they might have missed the part that Adam and Eve, were created in Their Image, and perhaps this is the big mystery that has kept us from the ideal society.)

This is a journey into the spiritual purpose of America, and how it can impact you and expand your appreciation for all that was done to help improve our world. You will be as an initiate into the ancient temple teachings, being taught in the beautiful truths God reserves for the pure in heart. These lessons known by Enoch, Abraham, Jacob, Joseph, and restored by our savior Jesus Christ, but hidden from those having Eye's that do not see, and Ear's, that do not hear.

The cost for the 2 Day tour is \$320.00.

Transportation to DC, bike rental, will be in addition to the tour price.

Meet inside the front doors.

At the end of the Yellow Line, at King Street Stop, if you are riding the Metro.

Here we you will gain a perspective of our Founding Fathers, and their hope for America to become the New Jerusalem. How it can happen.

“From the day of our Founding, we have proclaimed that every man and woman on this earth has rights, and dignity and matchless value, because they bear the image of the Maker of Heaven and Earth. ...Because no one is fit to be a master, and no one deserves to be a slave (ruled over Gen 3:16). These ideals are the mission that created our Nation. Eventually, the call of freedom comes to every mind and every soul.” G.W. Bush 2005

We are starting at the “Mountain of The Lord” symbolically.
