

## **Position: Camp Nurse**

**Reports to:** Camp Director

**Employment dates:** Camp Dates (August 3 - August 7)

**Website:** [www.campatlas.org](http://www.campatlas.org)

### **Camp Atlas OVERVIEW**

Camp Atlas is an overnight summer camp and leadership development program for Bay Area youth in grades 5–8 who have experienced foster care. Located in San Gregorio, California, Camp Atlas empowers young people to build confidence, develop leadership skills, and discover their potential through a unique blend of academic enrichment, outdoor adventure, and community building.

Throughout the week, campers engage in hands-on math and literacy activities, explore local beaches and farms, participate in team-building experiences, and create lasting connections with peers and mentors. Campers also learn how to navigate the foster care system, understand their rights, identify trusted adults, and advocate for themselves.

### **POSITION OVERVIEW**

The Camp Nurse is responsible for supporting the health, safety, and well-being of campers and staff during camp. The Camp Nurse serves as the primary health resource, oversees medication administration, and responds to illnesses and injuries.

#### **> Qualifications**

- Current RN, LVN, NP, PA, EMT, or equivalent credential
- Current CPR and First Aid certification required
- Experience working with children or adolescents preferred
- Strong communication and decision-making skills
- Ability to remain calm in emergency situations
- Understanding of trauma-informed care preferred
- Must pass a background check

#### **> Responsibilities**

- Review camper health forms and medical information before camp

- Maintain and secure medications and health records
- Administer medications according to camp procedures
- Provide first aid and basic medical care to campers and staff
- Respond to illnesses, injuries, and emergencies
- Maintain accurate treatment and incident records
- Support overall camp health and safety protocols

**> Compensation**

The position is based on a \$1,000 stipend for the duration of camp and includes staff training. Benefits include food and lodging during camp and the opportunity to make a significant impact in the lives of foster youth.
