## Other Information

**Mountain Trail Map:** [Trail map for mountain](#)

**Lift Spin Times:** Kaatskill 6 pack Flyer: 6 minutes without lift lines, D (Double) Lift to Mid Station 11min (if running), note you still have to ski to top of course so plan your time accordingly. Suggest being on the lift when they open.

**Suggested Warm up Trails:** Kaatskill Flyer to top, Hells Gate to Broadway bottom, easier warm up run to find your edges is Belt Parkway or WhiteCloud to Huega. To reach the race trail, use Hells Gate to 42nd st to Eisenhower/Bleeker St or Cliff or White Cloud to Bleeker St.

**Carrying Coats:** People should go around the racecourse to carry coats so we don't have any risk of movement on the hill or potential interference (except for SL). The exception would be for a slip crew - check with start control before carrying coats down the pitch. Best plan is to have a coat at the finish!

**FIS Helmets:** Remember a FIS helmet is required for GS. No helmet mounts on the helmet.

**Official Notice Board and Unofficial Scoreboard location:** We will be using the [Whatsapp](#) application & Live Timing to post DSQ's. Please check. We will share the link to livetiming prior to the race.

**US Ski & Snowboard Safesport Information:** US Ski & Snowboard takes athlete safety seriously. Please note [the following information](#), especially as it pertains to juniors that might join us as forerunners.

**Mountain Medical Plan:** [Hunter Mt Safety Plan](#)

**Lodging Ideas:** [Various options here](#)

**Local Shop for ski tuning:** The [Pro Ski & Ride offers racer pricing](#) and has an excellent Wintersteiger for tunes

**Basic Reminders:** If a racer loses a ski more than two gates above finish (U629.4) they must exit the course. If a competitor comes to a complete stop (e.g. after a fall), they must no longer continue through previous or further gates. Penalty for continuing to race after a complete stop is disqualification. This interdiction is valid in all events with a fixed start interval (SG, GS). Only exception is for SL [661.4.1], as long as the competitor does not interfere with the run of the following competitor or has been passed by a competitor. [614.2.3]. ALL knee braces and back protectors must be worn under the GS suit or race clothing. DQs will be posted on the electronic WhatsApp communication board.
