

Cowboy VolleyFest

The first Cowboy VolleyFest is almost here and we are so excited. We can't wait to see all the teams and watch the amazing competition. Our scheduler is finalizing a few details and should be done soon. Here are a few details (all info will also be posted on www.CowboyVolleyFest.com):

- **Facility rules**
 - This facility is absolutely amazing. We are grateful for the opportunity to rent the building and ask that all spectators, fans and coaches abide by their facility rules
- **Parking Map**
 - Please follow the instructions listed. We expect it to be pretty busy at the start of both the AM and PM waves. Following these instructions will help alleviate congestion at the front of the building.
- **Court Map**
 - Please note that the team entrance is on the left side of the building by the Sports Performance Center. We are doing this to reduce the congestion at the front door. Please have all players and coaches enter through the team entrance.
- **Team Check In**
 - Team check in will be at the team entrance. At team check in, coaches (or a team rep) will confirm rosters and receive their team welcome bag along with team credentials. Teams are allowed to check in on Friday from 5pm to 8pm. Teams traveling to Casper on Saturday are allowed to check in 45 mins before play begins.
- **Entrance**
 - The building will open for teams and spectators at 7am on Saturday and Sunday morning and play will begin at 8am both days. We expect large crowds for this event. To avoid congestion and waiting in lines, please arrive early. Tickets will be sold on site Friday night during the [player clinic](#). This is highly recommended and the best way to avoid the crowds at the start of each wave.

Thanks for being a part of the first Cowboy VolleyFest. Please let me know if you have any questions
