

**Neighbor A**

You're next door neighbor (B) is having a wild party, music is so loud that other neighbors have called you to ask him/her to turn it down.

You try to be calmed and very respectful, and explain that you have to get up early to go on a trip. Even if your neighbor says no, you have to convince him/her in anyway.

**Neighbor B**

You just graduated, so you invited ALL your friends from college to your empty house and got a famous DJ for the party. There is plenty of beer, vodka and tequila. You are having a GREAT time dancing and drinking, so when you're neighbor A knocks on the door to ask you to turn the volume down, there is NO way he/ she will ruin your party.

**Neighbor C**

Your neighbor's garden is a mess. They're never home, so they never clean it, it has trash, leaves, and dog's poop. It stinks so bad you can smell it in your backyard. Tell your neighbor that she has to clean it or you will report her to the authorities.

Be very angry and aggressive, because she is famous for her rudeness.

**Neighbor D**

The crazy neighbor next door is complaining about the smell of your garden. You have 4 dogs and 6 cats, and 2 children, so it's almost impossible to keep it clean.

Explain to him/ her very serious and calmed that if she wants you to clean the garden, HE/SHE should help you do it.

**Neighbor E**

Your neighbor in the apartment upstairs, keeps the TV on all the time, and he/she is always shouting at her two babies, who cry all night. You can sometimes hear things breaking, like a fight.

Talk to your neighbor and politely suggest that he/she takes therapy, or you will take some action.

**Neighbor F**

The neighbor downstairs is complaining about the noise you and your babies make. Of course, he/she is single and has no children. Also, he/she threatens you with "taking some action".

Tell your neighbor to mind his/her own business and back off.

**Neighbor G**

You live in Miami, FL, and your neighbor keeps two anacondas and an alligator as a pet in their garden. Sometimes, the snake gets in your house and chases your Chihuahua and Poodles, talk to your neighbor about putting the snakes in a cage before they eat any of your dogs. Threaten to call the sheriff's office.

**Neighbor H**

The old man/ lady next door wants you to put your anacondas in a cage. He/she insists they could eat her dogs. Explain to your neighbor that this is impossible since your snakes are vegetarian. Offer to buy her a new dog if the snakes eat any of her dogs, and don't accept any threats from her.
