Hello my friend Mark !! What are you doing ; How are you doing ; I went to London last week and visited Buckingham Palace. It's overwhelming !!

Located in the city of Westminster. Its construction began in 1703 and was completed in its current form in 1913.

Today it is the official residence of the royal family, it is an art gallery and a tourist attraction.

There are 775 rooms, a cinema, a post office, a jewelry store, a doctor's office, a swimming pool, a music room, a gallery and a huge, beautiful 40-acre garden.

There is a heliport, a tennis court, a beautiful lake and many fountains.

It is one of the most beautiful sights I have ever visited.

I wish you a good time with love Elias !!
