

### Want to Test the Safewave Band for Free?

1. Check if your state is highlighted on the map.
2. If your state **is highlighted**, contact your state's program today! (*contacts below*)
3. If your state **isn't highlighted**, you can still participate! Contact your state's AT Act Program ([Find Your State Here](#)) and request to have Safewave added for free testing.

*We're here to support you—don't hesitate to reach out if you have any questions!*
