

Lesson Evaluation — Teachers:

Please be intentional and honest in your responses to the lesson. Your responses will be kept confidential.

Lesson Component	Expectation	Your Assessment
Meaningful Topic	Topic was relevant to course and project topic. Moved beyond obvious and conveyed new ideas and insights.	
Depth of knowledge	Teachers knew what they were talking about and clearly conveyed knowledge.	
Essential Question	Presented an essential question that was meaningful to the lesson and adequately addressed by the lesson activities.	
Intention & Purpose (Objective)	The intention was clear and addressed the essential question. Students clearly understood purpose of lesson. Purpose was achieved.	
Time management	Teachers used time effectively and efficiently. Teachers transitioned smoothly between activities and ideas.	
Collaboration Among teachers	Teachers worked together; no one teacher dominated the lesson or discussion. It's clear the teachers prepared how to work together.	
Organization	Lesson was clearly organized and executed.	
Student Centered Environment	Lesson used discussion, a variety of activities, and open-ended questions to convey ideas and insights
