

Watch or Listen

Engage Activity

Purpose

In this activity, participants watch a [debate](#), listen to the [Course Correction](#) podcast or ENGAGE with other Doha Debates material.

Skills

- Responsible decision-making
- Systems thinking

Time

60 - 90 minutes

Instructions

Watch the Doha Debates digital assets.

Note: Facilitators may want to watch the production in advance and prepare comprehension questions or other materials to check participant understanding. For a full listing of Doha Debates productions, see our website at DohaDebates.com.

Debrief

Discuss the content using the following prompts:

- What surprised you about the video and the podcast? What stood out to you?
- What did you learn from this video? What did you learn from the podcast?
- How did watching the video and listening to the podcast change what you already thought about the issue?

Pro tip 1: This is a good opportunity to watch a debate live. If you do so, consider posing your questions on Twitter using the hashtag #DearWorld.

Pro tip 2: Consider asking participants to write a short paragraph reflecting on what they learned from the digital asset about the issue, documenting the different perspectives presented and how they might respond to each perspective.
