SUBJECT: GEORGIA VOTERS -- GET READY TO VOTE!

Dear --

BALLOTS ARE COMING -- IT'S TIME TO VOTE!!

Overseas ballots are coming by **September 19th!** This election is our **ONLY** chance to send the Trump Administration and its enablers packing. Your vote is crucial!

It's time to VOTE for Joe Biden and Kamala Harris, elect [Jon Ossoff](#) AND another Democrat to the Senate--and vote for Democrats, Decency and the Rule of Law!

The Special Election to fill the remainder of retired Sen. Johnny Isakson's term is a rare opportunity to *flip 2 Senate seats in the same year!* This is a "jungle" election with 8 Democrats among the 21 candidates on the ballot on November 3rd. If you haven't requested your ballot for 2020 or aren't registered to vote, there's still time, *but please don't delay*. COVID disruptions, increased volumes of domestic absentee ballots, the delays and reductions at the USPS, and other Republican efforts to hinder voting are creating a 'perfect storm' for overseas voters.

This year, more than ever, we cannot wait until the last minute!

Overseas voters need to send in the form to request a ballot in every calendar year you want to vote. You can also use the same form to register to vote, if needed. It only takes a few

minutes--

1. Go to www.votefromabroad.org and follow the prompts to fill out the form. To ensure you receive your ballot without delay, **please check the box to have your blank ballot sent to you by “Email/Online” or “Fax.”**

2. Then follow the instructions to send in your signed form to your Local Election Official in Georgia--use Email or Fax to make sure it gets in quickly.

If you are registering to vote: You may return your form by Email, Fax or Mail, and it must be Received in Georgia by **October 5, 2020**.

If you are already registered to vote, you send in the same form to request your ballot by either Email, Fax or Mail. Your ballot request form must be Received in Georgia by **November 3, 2020**.

Ballots Will Start Going Out By September 19th!

Mark your calendar to look for your ballot in your email--and be sure to check your spam or junk folder, and secondary inboxes.

After you receive your ballot, be sure to fill it out and MAIL it back right away!

Your voted ballot must be Postmarked no later than **November 3, 2020** AND Received in Georgia by **November 6, 2020**.

Concerned That Your Ballot Won't Get Back to Georgia By The Deadline?

The COVID disruptions and Republican efforts to slow down the US Postal Service are causing even more challenges than usual for mailing back your ballot.

But you don't need to wait until your official ballot arrives. You can mail back your VOTE now using the Backup Ballot (the Federal Write-in Absentee Ballot, or FWAB). For more information about using a Backup Ballot, go to www.democratsabroad.org/fwab

Know any other US voters? Please share this information with them, and be sure they vote. Let's turn the Blue Wave into a Blue Tsunami!!

Democratically yours,

**Note: When you fill in your ballot request form, be aware that selecting "I intend to return" rather than "my intent to return is uncertain" may contribute towards establishing yourself as a tax resident in your voting state. Because the legal requirements to establish "residence" or "domicile" for tax purposes are determined by state law and the specific facts of your life, before you note that you intend to return on your form you may consider seeking advice on these matters from a tax professional.*
