

Important Health Requirements for New Students

Deadline: AUGUST 1

We will request records from previous school and will notify you if records are missing.

Make your doctor's appointments now.

Forms can be mailed or dropped off at school

Make copies of all reports for your own files

Illinois State Law and the Diocese of Rockford requires that before entering these grades documents listed below must be on file. Immunizations must be current for that particular grade level. **Noncompliance may delay your child's starting school with the rest of their class.**

Pre-school

Complete physical with immunization record

Kindergarten

Complete physical with immunization record

(Pre-school physical does not meet requirements)

Vision report

Kindergarten Dental report

New students from OUT OF STATE

All grades - complete physical dated within one year prior to **August 1** Vision report dated within one year prior to the first day of the school year of entering an Illinois school for the first time.
Dental report (see instructions for all new students pertaining to your child's grade level)

Forms are on our website or doctor's offices will have the required forms.

Complete Physical – Must be dated within one year prior to **August 1**. Must have immunization record with it.

To validate form parent portion must be completed, signed and dated.

Form must also have physician's (or acceptable representative's) signature and date.

• **Vision Report** – The results of the eye exam must be recorded on the form provided by the state.

Must be dated within one year prior to the first date of entering school.

Form must also have physician's (or acceptable representative's) signature.

• **Dental Report** – The dentist must fill out the form required by the state and must sign and date it.

The parent/guardian is to complete the top portion.
