

On Friday you will be discussing the My Lai Massacre. You should be ready to discuss the questions on Mrs. Santos' website. This will likely take about 10-15 minutes. Your group may change times if the whole group agrees and communicates with Mrs. Santos. If you want to change to a time where I already have a discussion scheduled or that doesn't otherwise work for me, your group can record the discussion and send it to me. This also allows your group to do it on a different day (Thursday or Saturday) if needed.

If you absolutely cannot make any of these times work, you may email Mrs. Santos for a written option.

Requirements:

- **Must speak 3-5 times**
- **Must use at least one piece of evidence from the reading or class**

Only sign up for one group. Include your name and email. 7-10 people per group.
