

# These are a few of my FAVORITE THINGS

**Name:** *Ammie Akzam/Lamar*

**Birthday:** *December 11th, 1996*

**Classroom Décor:** *Boho/pencils/crayons/*

**Favorites:** (drinks that may have dairy try to do oatmilk instead to help with my intolerance, I can do almond milk too but prefer oatmilk)

|                                                                                                                    |                                                                                                                       |
|--------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Flower: <i>Tulip</i>                                                                                               | Color: <i>Purple</i>                                                                                                  |
| Scent: <i>Lavender or anything that smells good/fall scents</i>                                                    | Starbuck's Drink: <i>hot or iced OATMILK Matcha</i><br><i>Anything lavender but no dairy (oatmilk or almond milk)</i> |
| HTeaO: <i>Sweet Peach Ginger with sweet coconut and mint</i>                                                       | Sports Team: <i>Red Soxs/Royals</i>                                                                                   |
| Candy/Gum: <i>Gum- Minty Candy- Skittles (regular or sour), gummy worms or gummy bears, Hershey's, Brookside's</i> | Snack Food: <i>pringles, pretzels, kettle corn popcorn, cashews</i>                                                   |
| Dessert: <i>Brownies/Cheesecake</i>                                                                                | Drink: <i>poppi/oli pop/ alanies</i>                                                                                  |
| Sonic Drink: <i>Cherry vanilla dr pepper with lime.</i>                                                            | Restaurant: <i>olive garden, Texas Road House, Johnnys, Mojitos</i>                                                   |
| Fast Food: <i>Culvers, whataburger, canes, taco bell, arby's</i>                                                   | Other: <i>«Other»</i>                                                                                                 |

## More About me

**Hobbies:** *Painting*

**Things I Collect:** *«Collectibles»*

**Food Allergies:** *I limit gluten but can't have DAIRY too much. I prefer oatmilk as my alternative for anything if not almond milk is okay.*
