Tank Sensors		wholesale	MSRP
Standard Tank Sensor	<i>Application: water tanks up to 5m (16ft) tall</i> Includes: LV800 barometric sensor (5m) with 6m cable	\$135	\$180
Tall Tank Sensor	<i>Application: water tanks between 5m (16ft) and 10m (32ft) tall</i> Includes: LV800 barometric sensor (10m) with 12m cable	\$162	\$216
Custom tank Sensor	<i>Cost includes sensor only. Additional cable must be added.</i> <i>Sensor ranges: 5m, 10m, 15m, 20m</i> Includes: LV800 barometric sensor (custom range)	\$135	\$180
Diesel Tank Sensor - 1m	<i>Application: deisel tanks up to 1m (39") tall</i> Includes: LV800 barometric sensor - diesel rated - (1m) with 2m cable	\$180	\$240
Diesel Tank Sensor - 2m	<i>Application: deisel tanks up to 2m (79") tall</i> Includes: LV800 barometric sensor - diesel rated - (2m) with 3m cable	\$216	\$288

Well Sensors		wholesale	MSRP
25m/40m sensor	<i>static water level up to 25m (80ft) above pump; pump depth not exceeding 40m (125ft)</i> Includes: LT1000 13mm barometric sensor (25m) with 40m cable	\$747	\$996
50m/75m sensor	<i>static water level up to 50m (160ft) above pump; pump depth not exceeding 75m (240ft)</i> Includes: LT1000 13mm barometric sensor (50m) with 75m cable	\$900	\$1200
100/125m sensor	<i>static water level up to 100m (325ft) above pump; pump depth not exceeding 125m (410ft)</i> Includes: LT1000 13mm barometric sensor (100m) with 125m cable	\$1350	\$1800

Custom well sensor	<i>Cost includes sensor only.</i> <i>Sensor ranges: 5m, 8m, 10m, 20m, 25m, 30m, 40m, 50m, 60m, 70m, 80m, 90m, 100m, 110m, 120m, 150m, 180m, 200m, 250m, 280m, 300m (special order ranges also available)</i>	\$600	\$800
Includes: LT1000 13mm barometric sensor (custom range)			

Pond Sensors		wholesale	MSRP
Standard Pond Sensor	<i>Application: ponds/reservoirs up to 5m (16ft) deep</i>	\$390	\$520
Includes: LV816 barometric sensor (5m) with 10m cable			
Deep Pond Sensor	<i>Application: ponds/reservoirs between 5m (16ft) and 10m (32ft) tall</i>	\$405	\$540
Includes: LV816 barometric sensor (10m) with 15m cable			
Custom Pond Sensor	<i>Cost includes sensor only. Additional cable must be added.</i> <i>Sensor ranges: 2m, 4m, 5m, 8m, 10m, 12m, 15m, 20m, 25m, 30m, 40m, 50m, 60m, 80m, 100m, 120m</i>	\$360	\$480
Includes: LV816 barometric sensor (custom range)			

Other Sensors		wholesale	MSRP
Pressure Monitoring Sensor	<i>Application: pressure monitoring, Gauge (Ranges: 0.2bar, 1bar, 10 bar)</i>	\$180	\$240
Includes: EPT1000 pressure sensor with 1.5m cable and 1/4" NPT threading			

PUR sensor cable		wholesale	MSRP
PUR cable (per foot)	<i>when paired with custom tank, well, or pond sensors</i>	\$1.80	\$2.40
Includes: PUR cable			

Motes		wholesale	MSRP
Mote: RS485-LS-MM	<i>Application: Modbus sensors - tanks, wells, ponds, pressure, pulse count</i> Includes: RS485-LS-MM with solar/rechargeable battery and external antenna	\$135	\$180
Mote: UC501 (EA or NA options)	<i>Application: tanks, wells, ponds, 4-20 sensors, pulse count, modbus sensors</i> Includes: UC501 with solar/rechargeable battery and internal/external antenna Mounting bracket, weatherproof junction box, (2) data cables, (2) hose clamps	\$225	\$300
Mote: UC502 (EA)	<i>Application: tanks, wells, ponds, 4-20 sensors, pulse count, modbus sensors</i> Includes: UC502 with primary cell battery and external magnetic antenna Mounting bracket, weatherproof junction box, (2) data cables, (2) hose clamps	\$246	\$328
Mote: Dragino CPL03-LB	<i>Application: pulse counter (connect up to 3 meters)</i> Includes: Dragino CPL03-LB mote, external antenna, weatherproof junction box	\$108	\$144
Mote: UC511	<i>Application: pump or valve controller, pulse counter</i> Includes: Milesight UC-511 controller, weatherproof junction box	\$255	\$340

meter.base		wholesale	MSRP
Meter.base Lite (LR9)	<i>LoRa WAN gateway - Ethernet, WiFi indoor/outdoor</i> includes: Mikrotik LR9 LoRa Gateway	\$222	\$296
Meter.base Pro	<i>LoRa WAN gateway - Ethernet, WiFi, LTE, indoor/outdoor</i> Options: With indoor antenna With outdoor antenna	\$375 \$450	\$500 \$600
meter.base: SG50 (30W)	<i>LoRa WAN gateway - outdoor, solar-powered, LTE</i> includes: Milesight SG50 LoRa gateway (30W) requires: LTE gateway data plan - annual fee (see below)	\$945	\$1,260

Subscriptions		MSRP	
<i>Suggested Annual Pricing</i>		monthly	annually
Monitor:	Tank, Well, Water meter, Pond, and Custom component monitoring	\$10	\$120
Control:	Pump or Valve Control and/or automation	\$14	\$168
Status:	coming soon	\$3	\$36
